MEMORANDUM FOR: Recipients of COMIREX Minutes

SUBJECT: Utility of Annex B to COMIREX Minutes

25X1 1. A copy of this memorandum is being provided to each regular recipient of COMIREX minutes. We are assessing whether or not the operations status report submitted at COMIREX meetings should continue to be issued as an adjunct to the minutes. ☐

25X1 2. The operations status reports which are provided to the COMIREX during its regular meetings are subsequently given broader dissemination as "Annex A" to the COMIREX minutes. This was initiated sometime ago due to the interest expressed by those in the Community who normally do not attend COMIREX meeting. (A sample letter of transmittal for a typical ANNEX A is at attachment 1). We are now reviewing the utility of this Annex to its recipients. ☐

25X1 3. Request each recipient of this memorandum complete the attached survey form (attachment 2) indicating whether or not you find Annex A to the minutes useful and whether or not you desire to continue receiving it. The survey form is unclassified and pre-addressed for easy return. Please call me if you have any questions concerning this survey (secure 3-1263, open 376-5542). Try to respond within three days of receiving this memorandum. ☐
